# Smiling and hoping for a winner in this mad world

We have to look back on the 2019/2020 season as the season before the world went mad.

The Cheltenham Festival for many was the catalyst for all our problems but that is so wrong. Firstly and selfishly for us, it was the best week of our year as we had a winner there with Imperial Aura and our other runners ran blinders too. Vinndication and Happygolucky both finished in the hallowed unsaddling enclosure for horses that finish in the first four. The Cheltenham Festival is the mecca for racing fans and all those who are employed in the National Hunt Industry, so being there is brilliant but winning there is magical and that's what owners dream of.

Last season was for all a very difficult one. Unless you had a soft ground loving racehorse, you were destined to have a difficult season. Horses like Tony Solomons's First Flow had a bumper year winning four times and being placed on his other four starts. Yes he had a bumper year but don't forget that the season before the conditions were not suitable for his horse and he only ran once; now that sums up an owner with patience and Tony was so rightly rewarded.

Plenty of other horses had good seasons but so much has happened since the season closed in March, almost six weeks early, very frustrating as our horses were flying at the time.

The summer was difficult with staff on furlough and the worry that many would see that racing was not a sport to be involved in, thankfully that was not be. The BHA, although many have criticised has done a good job of bringing our sport back and racing in difficult times, but we must continue to show we are a clean sport and also that we can continue to race safely should something dreadful happen.

Talking going forwards, we may just have the best bunch of horses since we have been here (14 years). No changes in the top end of the Thorndale Team, Mat Nicholls is steering a steady path with the help of George Savill as Head Lad. Leigh Pollard and Stevie Broadhouse are travelling the horses to the races and winning probably more best turned out prizes than any other yard, and then there is the Team at home, yes all brilliant, what would I do without them. The same can be said for

Sandie Wilkinson who sorts my accounts, Peter Kerr who runs all my Partnerships and Maddie who runs my office, both Peter and Maddie suffered from the dreaded Covid, as did the long suffering Clare. It has not been a good year for Clare, a broken neck and having to look after me... moving on, how about David Bass, yes he is still here as stable jockey and doing a fabulous job, both Ciaran Gethings and Chester Williams are here to help him out. Finally and most importantly, a huge thank you to all my owners for their support and loyalty.

I hope you enjoy reading this brochure and who knows, it might help pick the odd winner.

The 2020/2021 season is going to be a very difficult one but we are determined to make it a good one and as much fun for you as we possibly can.

## ADJOURNED (GB)

OR 112H FORM 2F4-

2015 gr.g. by Rip Van Winkle (IRE) ex Bite Of The Cherry (GB)

**THE JURY**

An impressive bumper winner who started last season with a very good second in a Maiden Hurdle at Stratford, jumping well in front and just being collared after the last by a smart horse of Evan Williams'. After that the soft ground went against him, he took a crashing fall at Huntingdon and we gave him one more run on soft ground in January following his wind operation. We had planned on a busy spring campaign for him however, along with a lot of other horses Covid-19 put a stop to this. He is back in early and looks more than capable of winning off his current handicap mark.

## AJERO (IRE)

FORM 3-2

2015 b.g. by Red Jazz (USA) ex Eoz (IRE)

**JULIE AND DAVID R MARTIN AND DAN HALL**

New to us this year, he is a half-brother to the recently retired and much missed Charbel. He made his debut in a Thurles bumper in February where he was an eye catching third in a race which worked out extremely well. Purchased privately by David and Julie Martin, he made his yard debut at Huntingdon where he ran well to finish second, we think he is a really exciting prospect for the season ahead.

## ALIANDY (IRE)

OR 119H FORM P25-

2011 b.g. by Presenting (GB) ex Water Rock (GB)

**A & S ENTERPRISES LTD**

Not the easiest to train, he certainly has not mellowed with age but when he is right he is a very consistent horse. A winner of one hurdle and numerous placed efforts he is still more than capable of winning another race should things fall his way, the handicapper has not been helpful.

## ANOTHER VENTURE (IRE)

OR 135C FORM 263-

2011 ch.g. by Stowaway (GB) ex Hard Luck (IRE)

**MAGGIE'S CHARITY PARTNERSHIP**

Multiple winner who seems to have been around forever but still hasn't reached the veteran stage. Tough, genuine and consistent, he has won three races over fences and continues to pay his way in good level handicap chases on soft ground. He seems to go well for claiming jockeys although David is constantly begging to get back on him.

### ARTHUR'S SIXPENCE (GB)

OR 120C FORM 25-1113

2014 b.g. by Vinnie Roe (IRE) ex Loose Change (IRE)

STILLMOREMONEYTHAN

A fine looking six year old who didn't waste any time over hurdles. He made his chase debut at Newton Abbott where he finished second giving over 2st to the winner. We stepped him up in trip around Stratford in July and were disappointed not to win however in hindsight he had done a lot of racing for a young horse. He loves very fast ground and we started him off early this season at Uttoxeter where he won in determined fashion. He followed this up with a battling win at Market Rasen in spite of the rain softened ground and was then very impressive at Fontwell when back on his favoured surface. He unfortunately slipped going to the fourth last when going for a four timer at Sedgefield and has since had a short break. We hope he can continue to be competitive after a winter break.

### BALLETICON (IRE)

FORM 225/

2014 b.g. by Arakan (USA) ex Miss Garbo (IRE)

INN FOR A PENNY

A strong, sharp looking gelding who showed some good form in bumpers, including a particularly good second at Chepstow in a race which worked out very well. Unfortunately he picked up an injury when only 5th at Bangor in January 2019. He is back in after a year off and we look forward to his hurdling debut this autumn, there are plenty of races to be won with him.

### BLAZON (GB)

OR 68F FLAT FORM -9172469

2013 b.g. by Dansili (GB) ex Zante (GB)

THE BLAZING OPTIMISTS

He has been a bit of a star since reverting to the flat and is a multiple winner who seems to love the all-weather tracks. He hasn't got many secrets from the handicapper but when he is on a winning mark there will be more races to win with him.

### BOBHOPEORNOHOPE (IRE)

FORM 35-

2015 b.g. by Westerner (GB) ex Bandelero (IRE)

MR JOHN PERRISS

A good looking gelding who came to us with a big reputation after winning his point to point. He finished third in a bumper on New Year's Day at Exeter before getting stuck in the mud on his next start at Warwick. Schools very well and we are excited to see him go over hurdles this winter however, it won't be until jumping fences the following season that we see the best of him.

## CHAZZA (IRE)

2014 b.g. by Mahler (GB) ex Presenting Proform (IRE)

THE AZZA CHANCE SYNDICATE

FORM 12-F1

An Irish point to point winner who bolted up in a soft ground bumper on his debut at Bangor in November. He had schooled particularly well before his hurdle debut at Hereford but despite this, he showed signs that it was the end of a long season. He didn't have the best start to this season when falling at Newton Abbot but he redeemed himself at Bangor on Dee winning well under a nice ride from Ciaran Gethings. He is a horse we really like and expect him to have a big winter and be jumping fences sooner rather than later.

## COMMODORE BARRY (IRE)

2013 br.g. by Presenting (GB) ex Specifiedrisk (IRE)

THE COMMODORES

OR 133C FORM 22041-0

A real yard favourite, hard as they come, he jumps and gallops and is a winner of five races. He was our final winner of the 2020 season and is thoroughly unexposed over fences. He made a disappointing seasonal debut at Bangor in September but will surely improve for the run.

## DANDY DAN (IRE)

2013 b.g. by Midnight Legend (GB) ex Playing Around (GB)

PHIL AND GILL ANDREWS

OR 143C FORM 2U-

A tough and consistent horse who is a five time winner and had a brilliant novice season over fences, winning three times and being second once. He was unlucky not to win a good Kelso handicap for the second year running on his debut last year and he then unseated at Cheltenham. Unfortunately he picked up an injury which ruled him out for the rest of the year. One of a few horses who has suffered for being so consistent as a novice and could really do with the handicapper relenting but we are sure there are races to be won with him again.

## DESIGN ICON (GB)

2016 ch.g. by Schiaparelli (GER) ex Bisaat (USA)

IT'S ONLY MONEY

One of a whole host of four year olds not to see the track last season, he is a fine big gelding by Schiaparelli who seems to produce late developing offspring. He did a few nice pieces of work before his summer break and has come back looking a lot bigger and stronger. He will start in a bumper before Christmas and we will see where we go from there.

## DIAMOND GAIT (GB)

2013 b.m. by Passing Glance (GB) ex Milliegait (GB)

MR NORMAN CARTER

OR 120H 120C FORM 53P-475

A Bumper winner and dual winning novice hurdler she is another horse who suffered from her consistency as a novice. Being put up 4lbs for a good third at Huntingdon in December did not help her situation and after disappointing at Taunton in January, we decided to give her a long break with the view to going over fences this summer. She made a good chase debut at Stratford in early July finishing fourth and went to Newton Abbot for what was a very hot novice chase, she seemed to struggle with her fences and perhaps the smaller obstacles are better suited for her; we think she is handicapped to win races.

## DOCTOR HAZE (GB)

2011 b.g. by Dr Massini (IRE) ex Gypsy Haze (GB)

MR G J SINGH

OR 100C FORM 69-2

A lightly raced gelding who looked set for a decent spring after a good comeback run at Doncaster. He is another one who fell afoul of racing's closure but came back after his summer break to finish a good second on rain softened ground at Stratford. He unfortunately unseated when going well at Huntingdon last time out and hopefully he will soon put that behind him.

## DOES HE KNOW (GB)

2015 b.g. by Alkaased (USA) ex Diavoleria (GB)

YES HE DOES SYNDICATE

OR 127H FORM 22-1

He won an English point to point as a four year old and worked nicely before finishing second on his debut over hurdles at Hereford and he stepped up on that with another good second at Ludlow in November. He made his season debut a winning one back at Ludlow in October and he is a good prospect for novice hurdling this winter.

## DONNIE BRASCO (FR)

2013 b.g. by Buck's Boum (FR) ex Parislatino (FR)

THE FIFTYSHADESOFNEIGH SYNDICATE

OR 115H FORM 3336-

An English point to point winner who is certainly not built for hurdles. He showed plenty of ability finishing third on his first three starts and likes soft ground. He will be heading over fences this winter and we hope there is plenty more to come from him.

## DRUMREAGH (IRE)

OR 80H FORM B25909P-682

2014 b.m. by Court Cave (IRE) ex Mollyash (IRE)

**BUCKS FIZZ**

Placed in an Irish point to point she showed plenty on her debut in a novice hurdle at Uttoxeter in October but was one of a few horses which were not quite right after that. She ran well on her seasonal debut at Uttoxeter, looking like the winner three from home before tiring. She has done well during the summer but sadly her form has not kept up with her looks. She ran well at Uttoxeter to finish second and we hope to see her show a lot more this winter.

## DUKE OF EARL (FR)

2016 br.g. by Noroit (GER) ex Visiorienne (FR)

**PHIL AND GILL ANDREWS**

An unraced four year old who is the first horse we have trained by the German sire Noroit. A very big horse he was obviously backwards last year but has always had quite a presence about him. Although his best won't be seen for a while yet, we hope that he can show us plenty on the racecourse this season; he is a horse we think you will hear a lot more about in the future.

## EL PRESENTE (GB)

OR 133C FORM 4UP-13

2013 b.g. by Presenting (GB) ex Raitera (FR)

**DAVIES PILKINGTON YARBOROUGH BROOKE**

A good novice hurdle winner who jumped like an old hand on his chase debut to finish fourth in what turned out to be a red hot Novice Chase. We then travelled to Wincanton with high expectations on his handicap debut but unfortunately, inexperience caught him out and he unseated his rider early on. The plan was to give him a spring campaign on quicker ground but with the covid-19 causing a delay, he made his debut at Market Rasen where he bolted up in fine style and ran just as well off a 9lb higher mark back at Market Rasen; we think there are more races to be won off his revised mark.

## EQUUS DREAMER (IRE)

FORM 322/

2015 c.g. by Getaway (GER) ex Thornleigh Blossom (IRE)

**MR & MRS M LAWS AND MR & MRS P WOODHALL**

Purchased by the owners at Doncaster Sales last May after being placed in English point-to-points, it was felt he would benefit from a bit of time away and has grown and filled out well during the last twelve months. He has arrived here with a view to running over hurdles this season before going chasing; a fine stamp of a horse who hopefully should give his owners a great deal of pleasure.

### ESPOIR DE ROMAY (FR)

2014 b.g. by Kap Rock (FR) ex Miss Du Seuil (FR)

THE MIDGELETS

OR 142C FORM 1310-

A very impressive novice hurdle winner who should have followed up in a listed race at Newcastle only to be pipped on the line. He bolted up on his handicap debut at Wincanton and was so impressive we felt we had to go to the Cheltenham Festival for the Conditional Jockeys race. He ran well for most of the way but was caught out by his lack of experience in the last mile. He will head straight over fences this season and has schooled exceptionally well, he is one we are very excited about and he really could be anything.

### FIRST FLOW (IRE)

2012 b.g. by Primary (USA) ex Clonroche Wells (IRE)

A N SOLOMONS

OR 148C FORM 22132111-

A Grade 2 winning novice hurdler who we couldn't wait to see over fences. Thankfully he got his favoured heavy ground all of last season which saw him win four novice chases and not finish out of the first three in all eight runs. He was a real thrill to watch over his fences but with a mark of 148 things could be tough going into handicap company. On his favoured heavy ground he will be a tough nut to crack in Graded 2m chases.

### FLIRTATIOUS GIRL (IRE)

2016 b.f. by Flemensfirth (USA) ex Another Gaye (IRE)

MRS I C SELLARS & MAJOR AND MRS P ARKWRIGHT

A good looking four year old by one of our favourite sires Flemensfirth. She did some nice work in the spring before having a short break and has returned to aim for a mares' bumper early season. She has a very good pedigree and should be competitive, she is a mare we like a lot.

### FUBAR (IRE)

2014 ch.g. by Le Fou (IRE) ex Petite Mielle (IRE)

MR AND MRS BEVAN

OR 111H FORM 328-222

A frustrating horse who works as well as anything at home. He was a good second in a novice hurdle at Taunton, but his performances suffered on the soft ground after that. He was due to have a spring campaign but will now have a busy summer over hurdles. He has annoyingly been second on his first three starts, creeping up the handicap every time but we hope he will have his turn to get his head in front soon.

### GALANTE DE ROMAY (FR)

2016 gr.f. by Lord Du Sud (FR) ex Miss Du Seuil (FR)

THE GALANTE GALLOPERS

A good looking filly by Lord Du Sud who is a half-sister to the exciting Espoir De Romay. A real eye-catching filly with plenty of size and scope who we hope will be a high-class performer in time. The plan will be to run her in a bumper this season and the chances are it will be in the second half rather than the first but she has the size and scope to jump hurdles and fences in years to come; obviously if her brother does well it is only improving her pedigree.

### GERARD MENTOR (FR)

2016 b.g. by Policy Maker (IRE) ex Trepine Du Sulon (FR)

GARRETT, MEACHAM & WOODHALL

An unraced four year old by Policy Maker who was working very nicely and ready to make his debut before racing shut down in March. This compact gelding has summered well and will hopefully make his racecourse debut in a bumper this Autumn. He is a forward type who shows us plenty at home.

### GETAWAPON (IRE)

2015 b.f. by Getaway (GER) ex Milan Serenade (IRE)

MR JOHN PERRISS

FORM 1-

She won a point to point bumper on debut, a race which has worked out particularly well and was showing us plenty at home in the Autumn before picking up a niggling injury which kept her out for the rest of the season. Hopefully her problems are behind her and if they are she could be high-class.

 **GREY FELIX (GB)** FORM 5  
2016 gr.g. by Fair Mix (IRE) ex Ruby Crown (GB)  
**EXORS OF THE LATE MR I.F.W. BUCHAN**

A homebred out of six time winner Ruby Crown, we thought he was quite sharp and his early work was very nice but his immaturity came through and we thought a good summers break was best. He has had one run in a bumper where he finished fifth at Uttoxeter and we are sure he can build on from that.

 **GREY FLINT (GB)** FORM 6  
2015 b.g. by Fair Mix (IRE) ex Ruby Crown (GB)  
**EXORS OF THE LATE MR I.F.W. BUCHAN**

Just the same as his brother, this slightly bigger horse was again quite immature, however he was ready to run before the season abruptly ended. He has had one run in a bumper at Stratford where he finished sixth and he too should be able to build on that experience.

 **HAPPYGOLUCKY (IRE)** OR 139H FORM 1334-  
2014 b.g. by Jeremy (USA) ex Mydadsabishop (IRE)  
**LADY DULVERTON**

A very impressive maiden hurdle winner at Stratford, travelling and jumping well before going clear on the bridle to win by 11l. He was then third in a pair of Grade 2's at Cheltenham and Sandown, showing high-class form on both occasions. We went to the Cheltenham Festival for the Conditional Jockeys Handicap Hurdle where he went through the race like the ultimate professional and was only beaten 3 1/2l into fourth. He will head over fences this season and he is definitely one to watch.

 **HENDRA HOUSE (IRE)** KBR SYNDICATE  
2016 b.g. by Yeats (IRE) ex Gold Strike (IRE)  
**COLOURFUL DRINKERS**

An unraced four year old by Yates, who was big and backwards but showed plenty in his work last Spring. Being so big he was never likely to run, he had a very good summer at grass and has improved no end. He is a horse we really like and will hopefully make his debut in a bumper before Christmas.

 **HES NO TROUBLE (IRE)** OR 125C FORM U17P-  
2013 b.g. by Scorpion (IRE) ex She's No Trouble (IRE)  
**JOCKEY CLUB OWNERSHIP (SW2020)**

A novice hurdle winner who was always going to improve for the switch to fences. After a blip on his chase debut, he won in very determined fashion at Huntingdon and looked all set to follow up in a good race at Newbury before a horse fell in front of him three out and cost him any chance of winning. Still unexposed over fences, he has had a small wind up and there is surely plenty more to come from him this season.

 **HOLLYMOUNT HOLLY (IRE)** FORM 1182-  
2014 ch.m. by Doyen (IRE) ex Parsee (IRE)  
**MR JOHN PERRISS**

She joined us after being purchased by John Perriss at the Cheltenham November sale and came to hand very quickly winning a bumper at Hereford in December. The race seemed to come too quickly when she disappointed next time out and after a short break she ran well to be second over hurdles at Wincanton in March. Racing shut down which put pay to her running again, she is a good jumper and will continue over hurdles this season.

 **I CAN'T EXPLAIN (IRE)** OR 142H FORM 12P-  
2013 b.g. by Getaway (GER) ex Dr Sandra (IRE)  
**JULIE AND DAVID R MARTIN AND DAN HALL**

Won a novice hurdle for Nicky Henderson before loosing his way and joined us at the start of last season. Although proving difficult to train, he was ready to go for a handicap hurdle at Wetherby before racing was unfortunately shut down. A stunning looking gelding by a stallion we really like in Getaway, he will go straight over fences this season and is a hugely exciting prospect for this season on soft ground.

 **ILLUMINATED BEAUTY (IRE)** OR 110C FORM P-P3  
2013 b.m. by Flemensfirth (USA) ex Native Beauty (IRE)  
**MR JOHN PERRISS**

A good looking mare who has unfortunately been plagued with wind problems, due to go novice handicap chasing in the spring and has come back in early for a summer campaign. She jumps very well and has been placed in her last two races, we are hopeful that she can win races off her current handicap mark.

### IMPERIAL AURA (IRE)

OR 157C FORM 31221-

2013 b.g. by Kalanisi (IRE) ex Missindependence (IRE)

IMPERIAL RACING PARTNERSHIP

What a star, we started his season in the Tote Silver Trophy at Chepstow over hurdles where he finished a very good third, showing us that fences were what he needed. On his debut he won a three horse race at Fakenham, jumping like an old hand, he was then second over 3m at Cheltenham and again second on his third run, when gaining valuable experience in a big field handicap. He headed to the Cheltenham Festival as favourite for the Northern Trust Company Novices' Handicap Chase and duly bolted up in the style of a very smart horse, jumping and galloping like the winner from a long way out and never looking likely to be beaten. We have always had a high opinion of him and it was great to see that vindicated in such good style. He has many options this winter and will have an entry in the BetVictor Gold Cup at Cheltenham in November although he could go straight into graded company.

### IMPERIAL ICON (IRE)

FORM 26-

2015 ch.g. by Shantou (USA) ex Bobomy (IRE)

IMPERIAL RACING PARTNERSHIP

A very backward son of Shantou who made his debut in a Novice Hurdle at Huntingdon finishing a good second. We then went to Hereford to gain more experience and he showed more than enough to suggest he had a bright future. Still very immature, he will start off over hurdles this winter and we shall see how he progresses from there; you won't see the best from him until going over fences.

### INAWHILECROCODILE (IRE)

OR 102H FORM 6956-

2015 cb.m. by Robin Des Champs (FR) ex Charming Present (IRE)

LADY DULVERTON

This good looking, well bred mare has had four runs over hurdles so far and she gave the impression she could have finished closer in some of them. She does have a very attractive handicap mark which we hope to be able to make use of when she returns to racing in October. She certainly has the size to jump fences and that is something we might look at some stage this season.

### INCA ROSE (GB)

FORM 2-

2015 ch.g. by Malinas (GER) ex Cinderella Rose (GB)

COLN VALLEY PARTNERSHIP

A big horse from a family we know well. He showed all the right signs in his work but was a very backwards horse and it took us a while to get him to the racecourse. Making his debut at Huntingdon in March, he was very green but ran a good race to finish second to what looks to be a useful horse. He has improved again for another summer at grass and will now head over hurdles; he is more than capable of adding to his very successful family's tally.

### INFLAGRANTE (IRE)

2016 ch.g. by Getaway (GER) ex Maggie Connolly (IRE)

MRS DAVID JOHNSON

A fine looking gelding by a very fashionable sire in Getaway. He arrived to us from Phil Rowley's in the spring with the plan to run him in a bumper before going out to grass. Unfortunately this was not possible, but he did show us plenty in his work when in training and has done particularly well for a summer at grass; he is a real staying chaser in the making and is a horse we really looking forward to.

## JAVA POINT (IRE)

OR 119H FORM 4324-

2015 b.g. by Stowaway (GB) ex Classic Sun (GER)

FANNING, GRIFFITH, HADDOCK

We were slightly disappointed with him in his first two bumpers, he seemed to struggle, maybe it was the bad ground? He looked a different horse with a flight of hurdles in front of him and was a very good second at Ludlow in January to a smart horse of Nicky Henderson's before finishing an eye-catching fourth in a good race at Newbury. He went home for a short break with the idea to return for a maiden hurdle in May but that was not to be. Now looking more like the finished article he should progress well this winter.

## LADY OF THE NIGHT (GB)

OR 103H FORM 2-

2013 b.m. by Midnight Legend (GB) ex Even Flo (GB)

MR JOHN PERRISS

A homebred seven year old who missed the best part of two years with a leg injury. She made her hurdles debut in February, leading from the start she jumped very well only to be collared at the last and beaten by 1/2l. She came out of the race very well and we were looking forward to getting her head in front only for the season to end. She looks fantastic and can hopefully make up for lost time this season, knowing her owner I don't imagine it will be long before we see her over fences!

## LORD APPARELLI (GB)

FORM 42-

2015 ch.g. by Schiaparelli (GER) ex La Marette (GB)

THE SCHIAPARELLIS

A stunning looking horse who worked very well before making his debut in a bumper at Ascot in November. He ran a very good race to finish fourth, beaten by three more experienced horses. We went to Ludlow a month later where we thought he would win but he was out sprinted by a much speedier type, finishing second and well clear of the third horse. We then took aim at the DBS final in March but this never materialised. He has schooled very well and although the best of him won't be seen for another year when over fences, he is an exciting prospect over hurdles this winter.

## LOTS OF LUCK (IRE)

OR 103C FORM 903121-

2014 b.g. by Millenary (GB) ex Lovely Hand (IRE)

MR JOHN PERRISS

He took a while to find his feet but finally got his act together in handicap chases when winning in impressive style at Taunton in February, he was then second under a penalty when perhaps not jumping as well as he might do at Huntingdon four days later but he went back to Taunton and won a more competitive contest in good style. Still thoroughly unexposed, there is surely more to come as he moves up in trip this winter.

### MINELLA WARRIOR (IRE)

OR 133C FORM 3P-42

2012 b.g. by King's Theatre (IRE) ex Bobbi's Venture (IRE)

MRS JULIE MARTIN AND DAVID R MARTIN

Another real yard favourite who has won three times over hurdles. He had schooled so well we decided to start him off at Cheltenham in October and he looked like he might win going to the last but got a bit tired on the soft ground and finished an honourable third. After disappointing on very bad ground in November he was diagnosed with a kissing spine which has now been operated on. He finished fourth at Uttoxeter in July and was then second at Southwell, he may be seen to better effect back over hurdles.

### MISS GEMSTONE (GB)

OR 103H FORM 255464-

2014 ch.m. by Midnight Legend (GB) ex Real Treasure (GB)

THE REAL PARTNERSHIP

A tough homebred mare who showed plenty in her novice hurdles and ran well in a handicap at Warwick in March. We expected her to build on this going forward but her season was cut short, she has since had an intensive schooling course with Rob Bevis which we hope will benefit her enough to go chasing this season and make use of her handicap mark in that sphere.

### MON PALOIS (FR)

OR 120C FORM 9029-319

2012 b.g. by Muhaymin (USA) ex Gastinaise (FR)

MRS E A KELLAR

A bumper and dual novice hurdle winner. The handicapper has not been very kind and when he finally relented, he was second at Newbury just failing to get up. The handicapper duly put us up 4lb for the privilege and he was beaten off his revised mark a month later. He started with a decent third at Southwell in July, he then deservedly got his head in front at Stratford on rain softened ground before running a disappointing race at Newton Abbot in September where it all happened far too quickly for him, now that it has started to rain we will have more options for him.

### MR GREY SKY (IRE)

FORM 3-

2014 gr.g. by Fame And Glory (GB) ex Lakil Princess (IRE)

PHIL AND GILL ANDREWS

A dual bumper winner who looked set to have a big season novice hurdling last winter but got a bit of stage fright on his hurdles debut at Ascot where he still finished a good third when not jumping well. He picked up a niggling problem and it was thought best to give this still immature horse the rest of the year off. Much more the finished article now, he will have a full season novice hurdling and is a very exciting horse who could go a long way.

### NEWTIDE (IRE)

OR 142C FORM 116-

2013 b.g. by Getaway (GER) ex C'Est Fantastique (IRE)

LADY DULVERTON

This dual novice hurdle winner made his chase debut at Ffos Las in November, he was foot perfect and put away two decent horses with ease. It took us a while to get him back to the course and when we did, he won a Grade 2 novice chase at Wetherby; we headed to the Cheltenham Festival full of hope for the National Hunt Chase. He travelled and jumped as well as anything throughout but found the stiff climb from the second last too much on the very soft ground. He now heads into open handicap company and we hope there could be a big race in him this winter.

### PARC D'AMOUR (IRE)

2017 b.g. by Walk In The Park (IRE) ex Mal D'Amour (IRE)

THE STROLLERS

A stunning 3 year old gelding with plenty of scope for chasing. By Walk In The Park, who was a top class middle distance horse (runner up in The Derby) and whose dam won the 1000 Guineas. He is now a leading National Hunt sire with multiple Gr.1 winners including 174 rated Douvan a winner over hurdles and fences at the Cheltenham Festival and 172 rated Min, also a winner at the Festival and second there twice to the mighty Altior. The dam side of the pedigree is also very impressive, with Black type throughout. He is related to Cheltenham Festival World Hurdle winner More Of That, who was also placed in the RSA Chase, Santenay a Gr.2 hurdle winner and Eastlake winner of the Gr.3 Topham Chase and second in The Grand Annual Chase at Cheltenham. He will hopefully start off in a bumper in the spring.

### PARTY FUZZ (GB)

FORM 203-

2015 b.g. by Great Pretender (IRE) ex Very Special One (IRE)

PHIL AND GILL ANDREWS

One of the best looking horses in the yard, he ran into a good one when second at Hereford on debut. After that we struggled to get him right and after a poor run at Newbury he had a long break before finishing a good third at Wetherby. He has done extremely well over the summer and has schooled nicely, he is one to look out for in staying novice hurdles this winter.

### PRINCE LLYWELYN (GB)

OR 110H FORM 524-

2014 ch.g. by Schiaparelli (GER) ex La Murette (GB)

PETER BENNETT-JONES

A bumper winner who we had high hopes for over hurdles last winter, he was very keen on debut at Ascot after which we discovered a slight wind problem. Having had a minor operation he finished a good third at Wetherby and had perhaps had enough for the season when disappointing at Huntingdon in March. He is a big imposing gelding who we suspect needed a bit more time and will head over fences this winter where we hope he will fulfil his potential.

### RED RIVER (IRE)

OR 145C FORM F-

2013 ch.g. by Beneficial (GB) ex Socker Toppen (IRE)

THE RED RIVER SYNDICATE

A listed novice hurdle winner who we had very high hopes for when heading over fences. After missing most of the 2018/19 season we started him off in a hot novice chase at Newbury where he jumped and travelled well for a long way and was still in contention when taking a crashing fall four from home. He unfortunately suffered a knee injury but with a lot of time, patience and rehabilitation at Ivy Lodge Farm, he is back in full training and working away very nicely. He really deserves a clear run as he has plenty of potential and if we can keep things going in the right direction, he could well be high-class over fences.

### RHOSNEIGR (IRE)

OR 120H FORM 43- OR 77F FORM 8

2015 ch.g. by Iffraaj (GB) ex Sadinga (IRE)

MRS JULIE MARTIN & DAVID R MARTIN

A decent flat horse how showed bundles of improvement from his hurdle debut to be beaten 1 1/4 lengths at Wincanton in January. He was again second in a good race at Ludlow before winning well at Huntingdon. He has had a small wind op since his last run and has been placed twice in novice hurdles this summer.

### ROCKY'S TREASURE (IRE)

OR 143C FORM PP-

2011 b.g. by Westerner (GB) ex Fiddlers Bar (IRE)

MR JOHN PERRISS

A five time winner including a Grade 2 novice chase at Doncaster, he has been a bit of a yard star. Unfortunately, the wet winter last year was against him and he was the victim of his own success with his handicap mark being very high. After a year in the wilderness, hopefully the handicapper will relent a little and there are still good races to be won with him; we hope for a productive winter.

### ROSE TO FAME (GB)

OR 116H FORM 611/6

2014 b.m. by Fame And Glory (GB) ex Cinderella Rose (GB)

JONES, BROUGHTONS, WILSON, WEAVER

A dual novice hurdle winner, we had hoped to give Rose to Fame a spring campaign but circumstances conspired against us. She is due to go handicap hurdling this summer and we hope that she can progress as she steps up in trip. She had a small wind operation after disappointing at Stratford and things did not go well for her at Hexham when she looked like playing a major factor in the race. Her first two runs can be put behind her and we are sure she will be back on the winning track very soon.

### ROSMUC RELAY (IRE)

OR 122C FORM 52-

2012 br.g. by Presenting (GB) ex Aughrim Vic (IRE)

MR JOHN PERRISS

Dual winning novice hurdler who always looked like a chaser. He made his chase debut on New Year's Eve after nearly two years off the track and didn't exactly perform up to expectations when some of the horses were not running well. He ran at Hereford in March and under a very strong ride by David Bass was only headed at the last to finish a good second. Hopefully he will take up where he left off and progress over fences this winter.

### SAMATIAN (IRE)

2017 bl.g. by Sageburg (IRE) ex Bodhran Davis (FR)

MR NORMAN CARTER

A very good looking son of Sageburg who we purchased for Norman Carter at the Goffs Doncaster Sale in July. Sageburg was a top class 10 furlong horse from the family of Arc winner Sagamix, who has produced Cheltenham Festival and Scottish Champion hurdle winner Ch'tibello amongst many of his winning progeny. From the family of Klairon Davis who won 20 races including Gr1 Champion Novice Hurdle and the Queen Mother Champion Chase.

### SAMMEO (FR)

2017 b.g. by Diamond Green (FR) ex Goldnella (FR)

LADY DULVERTON

A good looking three year old who was purchased in France as a 2year old. He is very straightforward and cantering away nicely, he has done lots of jumping and although in no rush, he could run in a Junior Bumper before Christmas.

### SAYADAM (FR)

2017 b.g. by Saint Des Saints (FR) ex Catmoves (FR)

LADY DULVERTON

Purchased as a 2year old at the same time as Sammeo, he is a much more robust type who seems to thrive on his work and should make his debut before Christmas, possibly in a Bumper or Juvenile Hurdle.

### SEA STORY (GB)

OR 104H FORM 33P-

2013 b.m. by Black Sam Bellamy (IRE) ex Charlottes Web (IRE)

JOHN & SUSIE KOTTLER AND EMMA BUCHANAN

A dual bumper winner who has been a bit hit and miss over hurdles, although she has been placed on four separate occasions. Perhaps it is time to start her over the bigger obstacles and with her favourite soft ground we believe there are still races to be won with her.

## SHANACOOLE PRINCE (IRE)

OR 124H FORM 12-

2013 ch.g. by Primary (USA) ex Shanacool Rose (IRE)

MR & MRS M LAWS

He is the second horse by Primary we have trained and he also seems to relish very soft ground. We were not really sure what to expect on debut at Hereford, but under an inspired David Bass, he stayed on very strongly to get up in the shadows of the post and win by half a length. He arguably bettered that form when carrying a penalty to finish second at Leicester a month later, staying on well but not quite getting to the winner. We struggled to get him right after that and it was thought best to give him a long break and head for a novice chase campaign this winter.

## SHANTOU EXPRESS (IRE)

FORM 13-2

2015 ch.g. by Shantou (USA) ex Spanker (GB)

THE SECOND CHANCERS

Started his season with a very impressive win in a Stratford bumper, pulling clear on the bridle and winning with ease. He then headed for a Listed race at Ascot on very soft ground and put up a fantastic performance to finish third when clearly not enjoying the ground. After such a hard race we gave him a long break with a view to coming back in the spring. His bumper form is red hot, he has now started his hurdle campaign with a good second at Stratford in September and he should build from that experience.

## SHINOBI (IRE)

FORM 1340-1

2016 ch.g. by Ifraaj (GB) ex Ninja Lady (GB)

SHINOBITHEMONEY

By Ifraaj the stallion of the recently retired Charbel who did so well for us. He won a 14 runner bumper on his debut at Exeter in determined fashion before carrying his penalty to finish fourth at Huntingdon a month later in a race which has worked out particularly well. We then gave him a try on soft ground at Cheltenham in January which was very much against him and he was another who we put away for a spring campaign. He has schooled very well and strengthened up over the summer which showed when he made a winning debut over hurdles at Uttoxeter in September, he should build from that experience.

## STARVOSKI (IRE)

FORM 1-

2015 b.m. by Aizavoski (IRE) ex Telstar (IRE)

THE GRAPEVINE SYNDICATE

Starvoski a very easy 10 length debut winner of an Irish point-to-point. Is by recent sire Aizavoski a useful 12f performer in France from the family of Cape Verdi and by top sire Monsun. She is from a very successful family, her dam Telstar has so far produced 5 individual winners and she is related to Gr2 and 10 times winner Westerner Lady, 11 times winner On The Other Hand, 7 times winner Made In Taipan, who was also placed in Graded company. Starvoski will go hurdling this winter and has the size and scope to make a decent chaser as her career progresses.

## STATION MASTER (IRE)

OR 120C FORM 95PP-35

2011 b.g. by Scorpion (IRE) ex Gastounette (IRE)

MRS PENNY PERRISS

Another who has been a victim of his own success after being a consistent novice. He started the season on an extremely high mark and we were never overly happy with him. He had a kissing spine operation and has worked and schooled very well since. He was finally back down to a mark at which he should be competitive off and started off with a decent third at Southwell and followed up with a fifth at Uttoxeter not being beaten far, he should progress further from here.

## SUBWAY SURF (IRE)

OR 115H FORM 325-

2014 b.m. by Milan (GB) ex Dante Route (IRE)

SURF ON THE TURF

A dual bumper winner who had a very frustrating first winter over hurdles. After taking a little while to come to hand she made her debut at Warwick and looked all over the winner going to the second last before perhaps getting tired due to a lack of a recent run. We were surprised to see her get beat at Ludlow and although the winner has turned out to be pretty smart, we thought she could do better. She then disappointed on her handicap debut when after again looking like the winner she didn't quite get home. One of a few horses we didn't think were right last season, she now starts the year with a reasonable handicap mark and we expect her to be back on the winning trail sooner rather than later. She will most likely go over fences.

## TALK OF FAME (GB)

FORM 0-35

2015 b.g. by Fame And Glory (GB) ex Princess Oriane (IRE)

LADY DULVERTON

A very good looking son of Fame and Glory who was working particularly well on the run up to his bumper debut at Wincanton. It rained for the entire day and we suspected the ground may be against him and so it proved. After cantering into the straight he failed to get home in the worsening conditions. It was immediately decided to put him away for a spring campaign on better ground. He ran well to finish third in a bumper at Southwell, he made his hurdles debut at Warwick in September and he is the type who will improve with experience.

## TALK OF THE MOON (IRE)

2017 b.f. by Pether's Moon (IRE) ex Tara The Gossip (IRE)

EDWARD J HAWKINGS

A good looking filly, she is the first offspring by Pether's Moon which we have trained and it is great to be training for Ed Hawkings again. Still early days, she had a good grounding with Henrietta Knight and we like what we see. The plan is to run in a bumper this season but as we are all very patient she will tell us when she is ready.

## THE BULL MCCABE (IRE)

FORM 17-2

2014 b.g. by Yeats (IRE) ex Twilight View (IRE)

**PARK VIEW**

Worked very well through the autumn and we headed to Wincanton expecting a nice run for his hurdles debut however, he was never really travelling or jumping with any fluency on the right handed track and was beaten a long way. He had numerous niggling issues after this and did not get to the racecourse again. Following a good summer at grass, he made a promising debut at Newton Abbott to finish second and we hope he continues to improve this winter.

## THE EDGAR WALLACE (IRE)

FORM 321-

2015 b.g. by Flemensfirth (USA) ex Annalecky (IRE)

**PHIL AND GILL ANDREWS**

Made his debut in a bumper at Exeter in December and quite frankly, we were amazed he got beat although at the time some of the horses were not quite running to form. We travelled to Doncaster with equally high expectations where again we were surprised to be beaten by a very smart horse of Tom Lacey's, the pair were well clear of the third horse. He won his bumper in a canter at Hereford in March and that was always going to be the end of his season; he has schooled exceptionally well and although every inch a chaser he could easily take high rank amongst the novice hurdlers this season.

### THOSE TIGER FEET (IRE)

OR 104H FORM 13-

2014 b.g. by Shantou (USA) ex Luca Lite (IRE)  
PHIL AND GILL ANDREWS

After taking a while to find his feet over hurdles he made his handicap debut at Exeter in November and stayed on strongly to get on top of a well handicapped rival in the last 100yds. He disappointed us off an 8lb higher mark back at Exeter in December and was another we struggled to get right for the rest of the winter. Still at the right end of the handicap he ought to be very competitive in novice handicap chases on soft ground this time around.

### TRUE GLORY (IRE)

2016 b.g. by Fame And Glory (GB) ex Kinard True (IRE)  
LADY DULVERTON

A stunning looking horse who spent last season in training at Philip Rowley's point-to-point academy though unfortunately failed to make the track. Showing all the right signs in his early work and is a horse we think a lot of.

### TRWYN DU (IRE)

2016 b.g. by Valirann (FR) ex Broken Thought (IRE)  
JULIE AND DAVID R MARTIN AND DAN HALL

Another unraced 4yr old, he is the first son of Valirann that we have trained and he looks to be a really exciting prospect. He was more than ready to run in the spring but the difference the summer grass makes to these 4yr olds is huge and he has come back twice the horse. He will make his debut in a bumper before Christmas and he is a horse we are looking forward to getting started with.

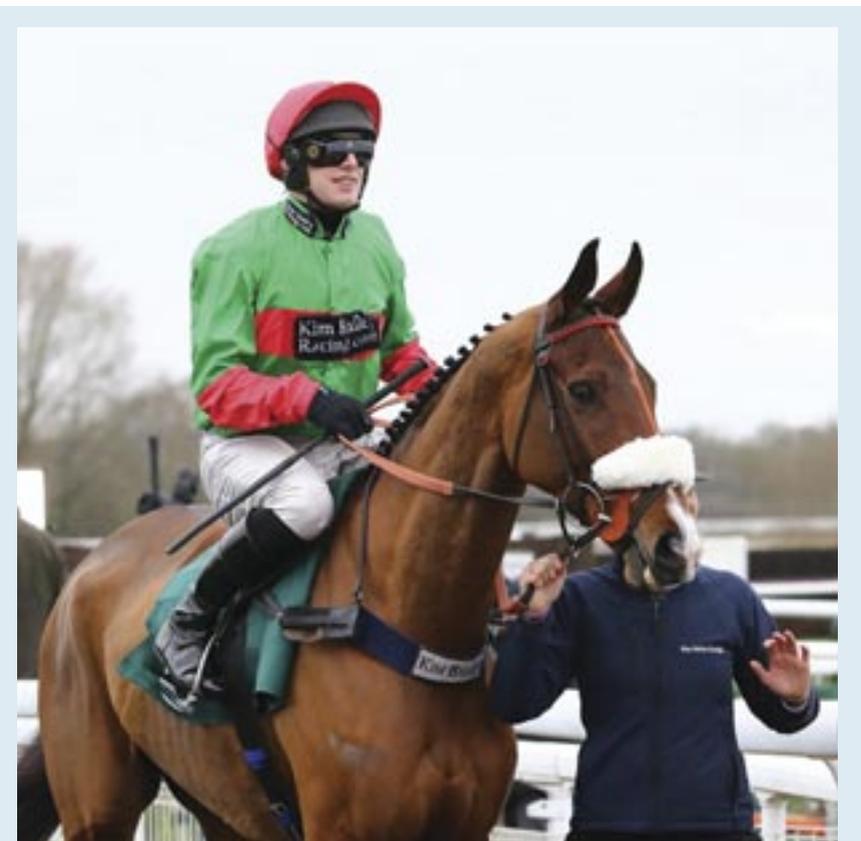

### VOYBURG (IRE)

2016 br.g. by Sageburg (IRE) ex Slevoy Ahoy (IRE)  
THE TEN SAGES

An unraced son of Sageburg, he is another of the 4yr olds who worked very nicely in the spring and after a good education went out to grass. He has shot up during the summer and as a result rather outgrew his strength and has benefitted hugely from Jason Maguire's water treadmill. Now back with us, we can push on with him and hopefully he will make his debut in a bumper this side of the New Year.

### TWO FOR GOLD (IRE)

OR 146C FORM 1112-

2013 b.g. by Gold Well (GB) ex Two Of Each (IRE)  
MAY WE NEVER BE FOUND OUT 2

What a star this horse has been, he jumped like an old hand when winning on his chase debut at Carlisle and after following up under a penalty at Kelso he gave us all a huge thrill when showing all his toughness to battle back on the run in and win the Grade 2 Novices Chase at Warwick in January. He was then second with a penalty in the Renoldstown at Ascot and we thought that he had done enough for the year. It will not be easy with a mark of 146, but he has an exciting winter ahead and could start off in the BetVictor Gold Cup at Cheltenham in November with his long term aim being the Grand National. Whatever happens, he has been a fantastic horse for his owners the Clancy Family and friends.

# RUN YOUR HORSES AT OUR COURSES

## VINDICATION (IRE)

OR 161C FORM 14-

2013 b.g. by Vinne Roe (IRE) ex Pawnee Trail (IRE)

**MOREMONEYTHAN**

Last year was the year that he started to show what we have always believed him to be capable of. What a performance he put up on his handicap debut at Ascot in November, front rank the whole way, he strode clear turning in and won very impressively by an easy 5l. He picked up an annoying injury when being prepared for another Ascot handicap at Christmas and we had to slightly rush to get him ready for the Cheltenham Festival where under top weight he ran a fantastic race, only being headed over the last and beaten less than 3l; surely only a lack of match practice was what beat him that day. He has been put up another 2lb, but handicapping will be a thing of the past this season and he will step up to open company; still thoroughly unexposed at staying trips, who knows where we could end up this season.

## WANDRIN STAR (IRE)

OR 137C FORM 189-

2011 b.g. by Flemensfirth (USA) ex Kerala (USA)

**MRS PENNY PERRISS**

He has been such an improved horse over the last couple of seasons. He started last season off a mark of 135 and put up an excellent performance to win the Desert Orchid Silver Cup at Wincanton. We then decided to try him over the big fences in the Becher Chase at Aintree where despite jumping excellently he found the ground far too soft. We headed back to Wincanton where it seemed he remembered jumping the National fences and subsequently spent far too long in the air over every fence. For such a big horse he seems to thrive on good ground and tight tracks and only 2lbs higher than his last winning mark, we hope he can be competitive in some good handicap chases this season.

### WINTER GLORY (IRE)

2015 b.g. by Fame And Glory (GB) ex Winter Shadows (FR)  
**A SHEPPARD, J WEBBER, R SHEPPARD**

We were so looking forward to him making his debut last season but unfortunately he picked up an injury which ruled him out for the entire campaign. Back with us and going nicely, this very good looking son of Fame and Glory will hopefully see the track sooner rather than later and start making up for lost time; we think he could be one worth waiting for.

### YEAVERING BELLE (GB)

2014 ch.m. by Midnight Legend (GB) ex Fruit Yoghurt (GB)  
**THE BELLE STARS**

OR 125H FORM 12P1

Winner of a bumper and novice hurdle she made her handicap debut in October 19 winning in very determined fashion, despite jumping to her left the entire way. The heavens then opened and she never got her favoured top of the ground again so we decided to give her a break through the worst of the winter. She was very impressive when winning a handicap at Bangor and she was a good second off her revised mark but her good run came to an end when she pulled up at Newton Abbott but as it transpired there were reasons for that. She made a great seasonal debut when returning to winning ways at Ludlow under a determined ride from David Bass and we are sure she has more to give yet

### YESANDNO (IRE)

2013 b.g. by Scorpion (IRE) ex In Fact (IRE)  
**MRS GWEN MEACHAM**

FORM OPP/

Came to us from another trainer last year but unfortunately had a leg problem which kept him off the track. Although he does not have a lot in the way of form, he is a big good looking gelding who may have done well having plenty of rest. We will start off in a novice hurdle but it won't be long before he heads over fences, we hope he can repay his owners patience this coming winter.

### YOU NEVERCALL (IRE)

2011 b.g. by Yeats (IRE) ex Afarka (IRE)  
**YOU NEVERKNOW PARTNERSHIP**

OR 157H FORM 2181-

Patient is what Younevercall's owners have had to be and that they are and we know his performances are very much worth waiting for. He picked up an injury after his run at Royal Ascot last summer and after a break, was being readied to defend his crown in the Grade 2 hurdle at Sandown but for obvious reasons that did not happen. He has been off for a long time through no fault of his own and we hope to finally try him left handed with the West Yorkshire Hurdle at Wetherby an obvious starting point; from there we will know what options we have for the rest of the winter.

## Horses For Sale

### UNNAMED (GB)

2016 ch.f. by Schiaparelli (GER)  
ex Miniature Rose (GB)  
(Anshan (GB))

A half sister to Twelve Roses, a horse we trained a few years ago who was a very decent animal. By Schiaparelli a top class 11f- 2m winner with a fantastic pedigree by leading sire Monsun. Her dam Miniature Rose is by top class dual purpose sire Anshan and also has a quality pedigree being related to Gr1 Cheltenham Festival winner Rose Ravine and Aintree Gr1 winner Cardinal Red. She has produced 6 winners including winner Twelve Roses, who was also second in the Gr2 Pendil Novice Chase and 4 times winner Cinderella Rose both of whom we trained. What is also interesting is the fillies she is producing are now going on to be very successful broodmares. So hopefully if this filly does well she will have a value and future as a broodmare after racing. She certainly looks forward enough to run in bumpers this season.

### UNNAMED (GB)

2017 ch.g. by Norse Dancer (IRE)  
ex Aoninch (GB) (Inchinor (GB))

A very easy moving strong gelding by Norse Dancer whose most famous son is Yanworth. Broken in and ridden away he is the type that should run in a bumper early in the New Year and is certainly big enough for jumping. A real taking individual who we hope to have a good future.

## UNNAMED (IRE)

2017 b.g. by Telescope (IRE)  
ex Fragrant Rose (GB) (Alflora (IRE))

Imposing athletic individual by new sire Telescope, who was a top class middle distance winner by the phenomenal sire Galileo, considered one of the best sires in the world. The dam Fragrant Rose was also successful on the track winning 5 times and has now produced an impressive 4 individual winners from 6 runners. A very good mover, from a prolific winning family who looks the type to run in a bumper early in the New Year and very much a horse who will end up jumping fences in time.

## TOURNE BRIDE (FR)

2017 gr.g. by Al Namix (FR)  
ex Ambroise I (FR) (Epalo (GER))

This striking grey gelding is by leading French sire Al Namix, a smart 10f performer and sire of top quality progeny including Grade 1 winners Saphir Du Rheu, Grandouet, Elixir De Nutz and Petit Mouchoir. His dam Ambroise was herself a Graded winner over hurdles winning £293,611 in prize money and hails from the family of Graded hurdles and chase winner Saute Au Bois. Another who will probably start off in a bumper

## UNNAMED (IRE)

2017 ch.g. by Sir Percy (GB)  
ex Salpetre (IRE) (Selkirk (USA))

By Dewhurst and Derby winner Sir Percy, who is now making his mark as a National Hunt sire. His most famous progeny to date being The Cheltenham Festival RSA Chase winner Presenting Percy. His dam is by top class miler Selkirk, who's progeny include Champion Hurdle winner Sublimity. There are winners all through the pedigree including Fiorente Champion stayer in Australia, winner of the Melbourne Cup. Yorkshire Oaks Gr1 winner and second in the St Leger Hellenic and Champion 3 year old and Champion older mare Islington winner of Gr1 Nassau Stakes, Gr1 Yorkshire Oaks (twice) and Breeders Cup. This good looking athletic moving gelding looks a sharp sort, who should start off in a bumper in the spring.

## UNNAMED (IRE)

2017 ch.f. by Presenting (GB)  
ex Wild Rhubarb (GB) Hernando (FR))

**FOR LEASE**

A leased filly by multiple champion sire Presenting whose progeny include the superb Denman, Grand National winner Ballabriggs, Gold Cup winner War Of Attrition, JLT winner Yorkhill and many more Cheltenham Festival winners. The dam side of the family also reads well, being from the same family as Graded winner Ronald Pump, who was second in last year's Stayers Hurdle at Cheltenham and the mare which we currently train, four time winner Yeaveering Belle.
