# Celebrating Grade 1 Glory

**We must look back on 2020/2021 as the season when the World really did go mad. This time last year we were wondering if racing would survive Covid or whether we would also survive, but both did.**

Firstly, the BHA played a blinder and managed to persuade the Government that racing was an essential sport and needed to keep going. Going it did and it was a wet one, it was one we all pulled through, although at times it was probably far more difficult for owners and racegoers than those working in the sport. No owners and no crowds made for a very odd days racing, so yes, we can look back on the last 12 months and say never again, although we certainly will not forget the 2020/2021 season.

Headlines were made at Ascot when **First Flow** won the Clarence House Chase, our first Grade 1 since the heady days of Master Oats and Alderbrook. It was a huge result for the yard and for my longest serving owner Tony Solomons who was unable to celebrate the success with me, we would have enjoyed sharing a bottle of water!! Thanks to some excellent coverage from ITV racing, we all became armchair pundits and David Bass went into many people's notebooks

as a 'young' rider to follow after several front running and daring rides on our horses; the public lapped up the story of David and our horses.

Our season started last July with **Yeavinger Belle** winning at Bangor and ended with **Younevercall** winning at Sandown and in between we had some memorable moments. Happygolucky's second at the Cheltenham Festival (a position we hate to finish in) but he made up for it by winning at Aintree. **Imperial Aura** jumped for fun around Carlisle and Ascot and then things went astray at Cheltenham, but he will be a better horse this time. **El Presente** had a cracking season and his win in the Badger Beer Chase at Wincanton was one to savour. **Ajero**, a half-brother to Charbel, won four on the bounce over hurdles. **Rocky's Treasure** shocked us when winning a good televised race at Doncaster. **Espoir de Romay** showed what he is capable of and if only he had not fallen at Aintree, could so easily have

# RUN YOUR HORSES AT OUR COURSES

◆◆◆◆  
THE JOCKEY CLUB

FOR THE THRILL OF IT SINCE 1750

added another Grade 1 to our honours list. **Flirtatious Girl** won the prestigious Mares Listed Bumper at Sandown, a race we won some years ago with **Molly's A Diva** whose first offspring **I Spy A Diva** won her only start in a bumper at Worcester in April. The Edgar Wallace ended his season by winning at Uttoxeter after some good, placed runs.

There were of course many other horses who won and deserve mentioning but now I feel I should mention those who work so hard behind the scenes here at Thorndale. Mat Nicholls is into his 14th year at Thorndale and now a partner in KBR. Peter Kerr who manages and runs all my syndicates and without his support and patience I would be lost, I just don't know how he does it at times. Leigh Pollard continues to win more best-turned outs than most and Kate Paddock has been promoted to yard manager to assist Mat this season having been a member of the team since 2018. The long-suffering Sandie Wilkinson had more sleepless nights than I after finding out I'd invested £1m on youngsters during the summer. Maddie Webster is now into her fourth season here and is very much part of the furniture in the office, keeping us on our toes!

Lockdown took some surviving, especially if you are married to a trainer. Clare who had a shocking 2019/2020 really does deserve all my love and support. I probably would not have survived without Clare's help and on that note her help is also greatly appreciated by all here at Thorndale

even, now that she is no longer allowed to ride out.

Talking riding, we have two top jockeys in David Bass and Ciaran Gethings at Thorndale who play a huge part in the day-to-day riding of our horses. David had a fabulous season and although Ciaran rode only a few winners for us, he too had a good season with winners at all the big meetings including Aintree.

We just failed to hit 60 winners but ended on 59 which at times feels like being out on 99 as statistics are everything in racing today. We finished 13th in the prize money table and 11th in the winners table with a strike rate of 19%, only bettered by three trainers in the top 30 and one of them was Irish!

We now head into another season with high hopes and some really exciting horses. We will be doing our best to make it another memorable one.

All the best,

Expert banking from a name you can trust

## AJERO (IRE)

2015 b.g. by Red Jazz (USA) ex Eoz (IRE)

**JULIE AND DAVID R MARTIN AND DAN HALL**

OR 139H FORM 211117-

After getting beaten first time out when far too keen, he won nicely at Ludlow and Kempton before bolting up in his first two handicaps at Market Rasen and Huntingdon. We really fancied him for the Grade 1 at Aintree but he had a busy season and it had all caught up with him. This half brother to Charbel shows plenty of speed and will stick to hurdles around two miles this season, he's really exciting and should continue to progress.

## ARCTIC SAINT (IRE)

2018 gr.g. by Saint des Saints (FR) ex Nomad Attitude (FR)

**LADY DULVERTON**

A gorgeous looking three-year-old gelding by the very popular Saint des Saints. He was purchased at Doncaster and is the most beautiful mover. We look forward to getting him started with a view to running in a bumper in the spring.

## BALLETICON (IRE)

2014 b.g. by. Arakan (USA) ex Miss Garbo (IRE)

**INN FOR A PENNY**

OR 123H FORM 143-

A free going sort who came back from 18 months off the track to win a Southwell novice hurdle very impressively in November. He was then 4th under a penalty at Ludlow before putting up a disappointing finishing effort at Wetherby. Subsequently we discovered he had gastric ulcers and the ground dried out before we could get him back to the course. He will go novice chasing this winter and should continue to provide his owners with lots of excitement.

## BEHIND THE VEIL (GB)

2018 b.f. by Kayf Tara (GB) ex Amazing D'Azy (IRE)

**MR & MRS K R ELLIS**

The second foal of the tough mare Amazing D'Azy who won two novice hurdles for us. She is a good looking filly with a tough attitude who will hopefully make her debut in the spring.

## BLAZON (GB)

2013 b.g. by Dansili (GB) ex Zante (GB)

**THE BLAZING OPTIMISTS**

OR 67F FLAT FORM 015361

What a star he has been and he seems to have been around forever. He bounced back to form once the handicapper relented to win at his beloved Kempton in the spring before running well in defeat and then produced an impressive performance to win at Wolverhampton last month. He has now won seven on the all weather and we hope there is more to come.

## BOBHOPEORNOHOPE (IRE)

2015 b.g. by Westerner (GB) ex Bandelero (IRE)

**MR JOHN PERRISS**

OR 126H FORM 11P-P

A real chasing type who started his season with a battling win at Exeter and followed that up in impressive style at Doncaster. We went back there as a strong fancy for the River Don Novices' Hurdle and after looking like the winner turning in he stopped very quickly. After doing something similar at Ffos Las in the spring he was given a wind operation; if this has the desired effect he should become a very useful novice chaser this winter.

## CAPTAIN ROSE (GB)

2017 b.g. by Telescope (IRE) ex Fragrant Rose (GB)

**PARK VIEW**

A lovely horse by a sire we really like who did some nice work last year but wasn't forward enough to see a racecourse. He has done particularly well for his summer break and we are very pleased with him. He should make his racecourse debut in the autumn, probably in a bumper but jumping will be his thing and we have high hopes for him as the season progresses.

## CHARMING GETAWAY (IRE)

2017 b.g. by Getaway (GER) ex Charming Leader (IRE)

**EVER THE OPTIMISTS**

A good looking gelding by the very popular stallion Getaway. He did some very smart pieces of work in the spring and then had a good summers break. He's come back in looking very well and we look forward to starting him off in a bumper in the autumn.

## CHAZZA (IRE)

OR 119H FORM F120P-P

2014 b.g. by Mahler (GB) ex Presenting Proform (IRE)

THE AZZA CHANCE SYNDICATE

A horse we have always thought a lot of, he started last winter with a very heavy fall at Newton Abbot before winning nicely at Bangor in October. He was unlucky not to follow up in a good race at Leicester before having a disappointing end to the season. He has had a wind operation before starting his career over fences and with his bold galloping style he should be very exciting to watch.

## CHIANTI CLASSICO (IRE)

FORM 1-

2017 b.g. by Shantou (USA) ex Ballinderry Lady (IRE)

BROOKE PILKINGTON

An impressive winner of his only point-to-point, he is a really likeable type who seems to love his work and is very forward. He will probably start in a bumper in the autumn and he could well be a name to follow this winter.

## DESTROYTHEEVIDENCE (FR)

2018 b.g. by Kayf Tara (GB) ex Mathine (FR)

PHIL AND GILL ANDREWS

A very well bred son of Kayf Tara who moves beautifully and we hope he will be a forward type. The plan is to try and take him back to Ireland for the Goff's Bumper in the spring, he's a very exciting prospect.

## DIAMOND GAIT (GB)

OR 124H FORM 4751-

2013 b.m. by Passing Glance (GB) ex Milliegait (GB)

MR NORMAN CARTER

What a lovely, fun mare she has been to own. After not taking to fences, this winner of four races went back over hurdles at Stratford and after frightening herself at the first she received an incredible ride from David, horse and jockey showing unbelievable bravery and determination to win going away from a seemingly impossible position. We decided to go down the flat route and after a couple of promising runs in maidens we had high hopes for her handicap debut until the rain spoiled any chance she had. She had a setback and will hopefully be back on the racecourse this autumn, probably back over hurdles.

## DOES HE KNOW (GB)

2015 b.g. by Alkaased (USA) ex Diavoleria (GB)

**YES HE DOES SYNDICATE**

OR 142H FORM 111085-

He had a great season, winning nicely on hurdles debut at Ludlow before going to Cheltenham where he won two novice hurdles, including a Grade 2. He had a mishap in the Challow Hurdle at Newbury before getting stuck in the mud at Exeter and finished his season with a respectable run at the Cheltenham Festival. He will head over fences this winter and could take high rank amongst the novice chasers.

## DUKE OF EARL (FR)

2016 br.g. by Noroit (GER) ex Visiorienne (FR)

**PHIL AND GILL ANDREWS**

OR 94H FORM 669-

A very big horse and the only one we have had by the sire Noroit. He was backwards last year and we decided to go straight over hurdles to try and educate him. Now handicapped, he will probably start over hurdles before jumping fences which is what he was bought for. A very good looking horse who we expect to progress this winter.

## EL PRESENTE (GB)

2013 b.g. by Presenting (GB) ex Raitera (FR)

**DAVIES PILKINGTON YARBOROUGH BROOKE**

OR 148C FORM 1311134-F

What a season he had and what a star he was for everyone involved. After winning a handicap chase on his return from injury, he was beaten in what turned out to be a very good race in July and we thought that could be as good as he was but he continued to improve, winning at Exeter and Hereford before showing unbelievable guts to win the Badger Beer Chase at Wincanton. After a Winter break we aimed him at the bet365 Chase at Sandown and he ran a fantastic race to finish fourth beaten less than a length. He unfortunately fell in the Sam Morshead Gold Cup at Perth and after another short break, the plan is to start at Aintree in the Becher Chase; we hope he could make up into an English or Irish National horse this season.

**BHA**

BRITISH  
HORSE RACING  
AUTHORITY

**E: [sales@andrewsbowen.co.uk](mailto:sales@andrewsbowen.co.uk)**

**T: +44 (0)1995 672103**

## EQUUS DREAMER (IRE)

OR 128H FORM 312-

2015 c.g. by Getaway (GER) ex Thornleigh Blossom (IRE)

**MR & MRS M LAWS AND MR & MRS P WOODHALL**

A very straight forward horse who had over a year off before following up a good Taunton third by winning a novice hurdle around Hereford in January. We then went to Carlisle where the inside track was too sharp but he still finished a good second. Once things started to dry out it was an easy decision to give him a break and he will go novice chasing this winter where he should continue to improve.

## ESPOIR DE ROMAY (FR)

OR 160C FORM 121F-

2014 b.g. by Kap Rock (FR) ex Miss Du Seuil (FR)

**THE MIDGELETS**

A real star who was impressive on his chase debut at Huntingdon and we were gobsmacked when he was beaten at Haydock next time, although time has showed he really bumped into one that day. He bolted up at Leicester and we headed to Aintree full of hope. He jumped incredibly well and was in front at the second last when making a novicey mistake and crashing out; gutting for all involved but he came out of the race in good order and we look forward to this season. All the top races are on his agenda and the King George at Kempton will most likely be his first main aim.

## FAIR FRONTIERES (FR)

FORM 2-

2015 ch.g. by Sans Frontieres (IRE) ex Cappawhite Lass (IRE)

**THE FRONT EARS SYNDICATE**

An exciting type who we purchased privately in January. He had a mini break at Ivy Lodge Farm before joining us with a view to running at Aintree but had a little setback and didn't run. He's a bit of a challenge to train being quite hot headed but the form of his novice hurdle has worked out very well. He will start off over hurdles and if we can channel his energy in the right direction he could be very smart.

## FIRST FLOW (IRE)

OR 163C FORM 1116-6

2012 b.g. by Primary (USA) ex Clonroche Wells (IRE)

**A N SOLOMONS**

What a star and what a season he had. After starting with a win in a handicap at Ascot he continued to progress, following up with a win at Wetherby. Under a fantastic ride from David he then won our first Grade 1 since 1995 when taking the Clarence House Chase at Ascot; what a thrill and what a performance from horse and jockey. He ran very well in the Queen Mother Champion Chase at Cheltenham, not beaten far despite struggling to go left handed and Punchestown then proved a step too far. He's had a back operation this summer and races like the Tingle Creek and Clarence House are firmly on his agenda.

## FLIRTATIOUS GIRL (IRE)

FORM 121-

2016 b.m. by Flemensfirth (USA) ex Another Gaye (IRE)

**MRS I C SELLARS & MAJOR AND MRS P ARKWRIGHT**

A gorgeous mare who we had high hopes for last season and she most certainly delivered. She was impressive when making most at Warwick on debut and then we were shocked to see her beaten at Huntingdon over Christmas when she finished a good second in a Listed race. We gave her a short break and went to Sandown for the Mares' Listed Bumper where she showed tremendous courage and stamina to gallop through the heavy ground and win nicely. She has schooled well and we look forward to what should be an exciting campaign over hurdles.

## GALANTE DE ROMAY (FR)

2016 gr.m. by Lord Du Sud (FR) ex Miss Du Seuil (FR)

**THE GALANTE GALLOPERS**

A very good looking but slightly backwards sister to Espoir de Romay. She has been very slow to come to hand but is a big filly and is going nicely now. We hope to start her off in a bumper before Christmas and she is the type that should progress with racing.

## GALAXY MOON (FR)

2018 b.g. by Spanish Moon (USA) ex Porquerollaise (FR)

**WENDY PRINCE RACING**

The first horse we have trained by relatively new sire Spanish Moon. He was a real eyecatcher at the Doncaster May Sale and looked the sort we really wanted to take home. He's a hardy looking horse and we hope he will be quite forward. We haven't done a lot with him yet but think he could be the sort to make his bumper debut this season.

## GERARD MENTOR (FR)

OR 87H FORM 28076-P52

2016 b.g. by Policy Maker (IRE) ex Trepine Du Sulon (FR)

**GARRETT, MEACHAM & WOODHALL**

Starting last season with a very encouraging run when second in a bumper at Hereford he then rather lost his way. He has had a wind up and with a return to fast ground he has shown that he should be capable of winning a race. He was a good second at Newton Abbot last time out with the assistance of cheekpieces and will continue to run over hurdles until the ground goes against him.

## GETAWEAPON (IRE)

OR 115H FORM 212P-

2015 b.f. by Getaway (GER) ex Milan Serenade (IRE)

**MR JOHN PERRISS**

Having missed all of the previous season through injury she made her debut for us in a competitive October bumper at Ffos Las, finishing second. As she was rising six we went straight over hurdles and she jumped for fun when winning at Hereford followed by a good second at Ludlow. She disappointed at Doncaster in January and then a few niggling issues meant she missed the rest of the season; there is every possibility she will go chasing this winter.

## GREY FLINT (GB)

OR 84H FORM 6U588-8F07

2015 b.g. by Fair Mix (IRE) ex Ruby Crown (GB)

**THE GFH PARTNERSHIP**

Shows plenty of promise but he has been unlucky for a horse who wants fast ground, on more than one occasion the ground has gone against him. His last run at Newton Abbot gave us many more positives than negatives even though he only finished seventh. We are determined to try and win a race with him before the ground goes, he is a lovely horse and like all greys, a popular one.

## HAMILTON DICI (FR)

OR 116H FORM 013-

2017 b.g. by Coastal Path (GB) ex Umbrio Dici (FR)

**LADY DULVERTON**

He was bought from Jane Williams on the recommendation of her son and our conditional jockey of last year Chester, after winning a juvenile hurdle at Warwick on his second start. Being a big horse we always planned to mind him and after finishing third under a penalty we put him away. He has matured during the summer and will now go novice handicap chasing where with his four year old allowance he should provide his owners a lot of fun.

## HENDRA HOUSE (IRE)

2016 b.g. by Yeats (IRE) ex Gold Strike (IRE)

**COLOURFUL DRINKERS**

A well bred and very good looking gelding who has done some nice work, but a series of niggling issues have kept him off the track so far. He seems in a really good place now and if things continue to go the right way he could be very smart. He will probably have a run in a bumper before getting going over hurdles this winter.

## HURLERONTHE DITCH (IRE)

2016 ch.g. by Shirocco (GER) ex Maid of Malabar (IRE)

**MRS PENNY PERRISS**

FORM 1-

New to the yard this season, he won a bumper at Wexford in March on his only start under rules before being purchased at the Cheltenham/Newmarket sales. A forward type who likes to get on with his work he will go straight over hurdles and we think he could be quite smart.

## I SPY A DIVA (GB)

2017 b.f. by Telescope (IRE) ex Molly's A Diva (GB)

**MR JOHN PERRISS**

FORM 1-

Homebred by John Perriss, she is the first foal of the high class Molly's A Diva who we trained to win six races including the Mares' Listed Bumper at Sandown. She was quite forward in her work and we were delighted to get her onto the racecourse at the end of the season where she showed lots of her mothers guts and determination to become the first winner for her sire Telescope under rules. She has definitely matured for a summers break and we look forward to getting her started in the mares series over hurdles although another run in a bumper is very much a possibility.

## IMPERIAL AURA (IRE)

2013 b.g. by Kalanisi (IRE) ex Missindependence (IRE)

**IMPERIAL RACING PARTNERSHIP**

OR 161C FORM 11UP-

Our Cheltenham Festival winner started last season with a mightily impressive round of jumping in a graduation chase at Carlisle putting his rivals to bed in impressive fashion. He then went to Ascot for his biggest test yet and passed it with flying colours, jumping brilliantly and winning the Grade 2 with much in hand. We set our sights on the Cheltenham Festival but things didn't go to plan, he unseated David at Kempton when not concentrating and wasn't quite right at the Festival itself when pulled up. He has since undergone a wind operation and we are very excited about stepping him up in trip this winter; the Charlie Hall Chase at Wetherby or Haydock's Belfair Chase are the obvious starting points.

## IMPERIAL HURRICANE (GB)

2017 b.g. by Black Sam Bellamy ex Silverlined

**IMPERIAL RACING PARTNERSHIP**

Good looking four-year-old by a stallion we really like, his offspring often take time but are worth the wait and we expect this horse to be no different. He was doing plenty with Kevin Ross last season but wasn't going to run so didn't make the trip over. He has again completed his pre training with Kevin and we hope he will make his racecourse debut this autumn.

## IMPERIAL ICON (IRE)

2015 ch.g. by Shantou (USA) ex Bobomy (IRE)

**IMPERIAL RACING PARTNERSHIP**

OR 108H FORM 8715-

A big strong horse who took an age to come to hand and learn what was required of him on the racecourse. He was far too keen on his seasonal debut at Carlisle in October but certainly learnt a great deal that day as he battled gamely to get his head in front next time at Hereford. He couldn't cope with the ground at Wetherby on Boxing Day and then injury finished his season. He will go novice handicap chasing this winter and there should be more to come from him.

## INCA ROSE (GB)

2015 ch.g. by Malinas (GER) ex Cinderella Rose (GB)

**COLN VALLEY PARTNERSHIP**

OR 117H FORM 52-2

A lovely big horse from a family that we know well and have been very successful with. He hasn't taken a lot of racing so far as he's on the weak side but what he has done has been encouraging. He ran well on debut at Wetherby and was then very unlucky not to win at Exeter when running green. After a winter break we went to Warwick and he looked all over the winner until he was collared after the last; sure to win races, he will probably stay over hurdles this winter.

## INFLAGRANTE (IRE)

2016 ch.g. by Getaway (GER) ex Maggie Connolly (IRE)

**MRS DAVID JOHNSON**

A good looking horse by one of our favourite sires, he has always looked the part and his homework has suggested big things but he has been difficult to keep sound, whenever we think he may make his debut he seems to meet another setback. We will have to tread carefully with him but on what we have seen at home, he is well worth the wait and his owners should be rewarded for their patience.

## KYNTARA (GB)

2016 b.g. by Kayf Tara (GB) ex Speed Bonnie Boat (GB)

**LADY DULVERTON**

FORM 11-

A fine looking horse who joined us before christmas last year after winning his point-to-point in impressive fashion. We really liked what we saw at home and it was no surprise when he bolted up in a Warwick bumper on his rules debut in a race that has worked out well. We briefly contemplated a championship bumper but he was growing out of all recognition and it was an easy decision to put him away. He will go novice hurdling this winter and could take high rank but there is no doubt his future lies over fences.

## LADY OF THE NIGHT (GB)

2013 b.m. by Midnight Legend (GB) ex Even Flo (GB)

**MR JOHN PERRISS**

OR 115H FORM 723-

A real yard favourite who is frustratingly still a maiden. She probably needed the run at Ffos Las in October and was much improved when a hampered second at Exeter. She again ran well in third in a novice hurdle at Huntingdon before the ground went against her and we had to draw stumps for the year. This lightly raced mare has a fantastic attitude and I don't think we would dare keep her over hurdles for another season!!

## LOTS OF LUCK (IRE)

2014 b.g. by Millenary (GB) ex Lovely Hand (IRE)

**MR JOHN PERRISS**

OR 110C FORM 123P3P-

Three time winner who started the season where he left off the previous year and showed he had improved when winning easily at Ffos Las in October. He then ran very well off his higher mark at Huntingdon and Wincanton before becoming rather disappointing. We ironed a few things out after he pulled up at Leicester but the ground dried up and we called it a day. He could probably do with some help from the handicapper but is sure to win again under optimum conditions.

## MAGICAL ESCAPE (IRE)

2018 b.g. by Getaway (GER) ex Chestnut (IRE)

**THE SURPRISE SYNDICATE**

A well bred and extremely good looking gelding, he was bought from Willie and Mandy Bryan and they did his pretraining before sending him here. As with all the three year olds, it is very early days but we really like what we see and he could make his bumper debut some time after Christmas.

## MARTON ABBEY (GB)

FORM 2-

2016 br.g. by Orientor (GB) ex Naywey (GB)

**THE JOCKEY CLUB SOUTH WEST RACING SYNDICATE**

He was recommended to us by Jackie Coward, the same source as Does He Know. He is bred for speed and showed admirable stamina and jumping abilities when second in his only point-to-point. It's great to have the Jockey Club South West Racing Syndicate with us for another season and we hope we can continue to train them winners with their new horse.

## MR GREY SKY (IRE)

OR 119H FORM 33-

2014 gr.g. by Fame And Glory (GB) ex Lakil Princess (IRE)

**PHIL AND GILL ANDREWS**

Looked a star in the making when winning his two Bumpers as a four-year-old but had a year off with knee problems and never really found his feet last year despite finishing third on his first hurdle start at Ffos Las. He jumps well but needs to learn to settle and after another extended break he will most likely head over fences where the tempo of the contest should suit him better; if we can get him to relax he could yet fulfil that early promise.

## NEWTIDE (IRE)

OR 140C FORM 3P-

2013 b.g. by Getaway (GER) ex C'Est Fantastique (IRE)

**LADY DULVERTON**

He has always looked a staying chaser in the making and after a good novice season, including a Grade 2 win, we were looking forward to a big campaign. He started with a good third on very heavy ground at Haydock but he isn't the easiest to keep right and he disappointed on his only other start of the season at Ascot. We have done things differently this year and got him in very early; we hope giving him a long slow build up will help him later in the season.

## ONE FOR ROSIE (GB)

OR 149C FORM 11-

2013 gr.g. by Getaway (GER) ex Whisky Rose (IRE)

**A BOTTLE ON ICE FOR ROSIE**

One For Rosie joined us in January in tremendous form after doing endless rehab and pre-training with his part owner at Ivy Lodge Farm and we hadn't had him long at all when after over a year off the track, we headed to Leicester with great hopes. He jumped fantastically well and galloped clear to win in decisive fashion looking a real good prospect. We headed to Carlisle with a penalty and he won equally well, again jumping with great accuracy thanks to more schooling from Olympic Gold Medallist Laura Collet. Although lacking in experience over fences, he is a top prospect and all options remain open.

## PARC D'AMOUR (IRE)

2017 b.g. by Walk In The Park (IRE) ex Mal D'Amour (IRE)

**THE STROLLERS**

A beautiful looking four year old with a pedigree to match. He did some lovely pieces of work last winter but we thought a long summer break would be beneficial. He's come back in an improved horse although still somewhat unfurnished, he is going nicely and he will be expected to show up well when making his bumper debut before Christmas.

## PARTY FUZZ (GB)

2015 b.g. by Great Pretender (IRE) ex Very Special One (IRE)

**PHIL AND GILL ANDREWS**

OR 117H FORM 3834-

A gorgeous horse who really looks the part. We seem to tell his owner every summer he is physically the most improved horse in the yard! He ran well to be placed in a bumper on seasonal debut before a very good third at Warwick and then we were surprised he was beaten at Exeter but this showed he really must have very soft ground. He will go novice handicap chasing this winter and it shouldn't be long before he gets his head in front.

## PAY THE PILOT (GB)

2017 b.g. by Telescope (IRE) ex Becky B (GB)

**JULIE & DAVID R MARTIN AND DAN HALL**

FORM 2-

Stunning four-year-old by a sire we really like. He was second in a point-to-point bumper at Punchestown in March and really caught the eye when battling back after being headed over two-and-a-half miles. He's a stunning mover and chasing will be his game but we will have a lot of fun on the way there. He had a setback in the summer but his owners are keen to crack on over hurdles so that's the most likely route at this stage; he has lots of potential and could be another star for his owners.

## PEAKED TOO SOON (GB)

2017 b.g. by Iffraaj (GB) ex Libys Dream (IRE)

**JULIE & DAVID R MARTIN AND DAN HALL**

OR 122H FORM 32P-1136

He joined us in the spring after being placed on two of his three bumpers for Jamie Osborne, he was purchased by Julie Martin who already had a share in him and loves the stallion Iffraaj. He took a while to settle into our way of doing things but really enjoys his jumping. Very keen on debut he jumped well to win before following up under a super cool ride from Ciaran at Uttoxeter; he lost his unbeaten record next time at Stratford before finding the ground too soft at Perth. He has had a small wind operation and we hope he will continue to progress over hurdles before the ground gets too soft.

## PERCY VEERING (GB)

2017 ch.g. by Sir Percy (GB) ex Saltpetre (IRE)

**THE PERCY VERA'S**

A big, backwards four year old who did plenty of work last winter and it took a while for him to understand what was required. He has done well for a summer break although still quite immature, he is the type to go straight over hurdles and we would expect him to progress from run to run as the winter goes on.

## PIPESMOKER (FR)

2015 b.g. by Authorized (IRE) ex Pisa (GER)

**LADY DULVERTON**

OR 133H FORM 3P-

New to the yard after joining us from Nicky Henderson. We haven't had him long but he's a beautiful looking horse who has some good form to boot, although he has obviously been very difficult to train. We will take our time with him and as yet, haven't decided if it will be hurdles or fences. If we can keep him sound he is a real good prospect for this winter.

## ROCKY'S TREASURE (IRE)

2011 b.g. by Westerner (GB) ex Fiddlers Bar (IRE)

**MR JOHN PERRISS**

OR 139C FORM U91P58-P

A grand old servant who still shows lots of enthusiasm in the mornings but can be unpredictable in the afternoons! He was bought down first time out at Kelso and after running a bit free at Newbury, he won a good televised handicap chase at Doncaster where he still holds the course record as a novice. After that he lost his way but after a nice break and a little help from the handicapper he can hopefully pick up a nice prize this winter, he is qualified for the veteran series.

## ROSE AND THISTLE (GB)

2017 b.f. Blue Bresil (FR) ex Cinderella Rose (GB)

**JONES, BROUGHTONS, WILSON, WEAVER**

A lovely filly out of a mare we won five races with and it is a family we know very well. She did some lovely work in the spring and then went back to her part owners for her summer break. We hope she can keep up the family tradition when she makes her debut in a bumper this autumn.

# CHELTENHAM & SOUTH WEST SYNDICATE

A UNIQUE AND EXCLUSIVE SYNDICATE FOR THOSE WHO TRULY  
LOVE THE EXCITEMENT OF JUMP RACING AND DREAM OF  
OWNING A FESTIVAL WINNER

## A FEW BENEFITS OF YOUR MEMBERSHIP:

- One full year membership to Cheltenham, Exeter, Warwick, and Wincanton Racecourses
- An exclusive members facility at The Festival™
- Three top trainers including Kim Bailey, Harry Whittington and Nicky Henderson

## SAINT BIBIANA (IRE)

2017 b.f. by Sholokov (IRE) ex En Vedette (FR)

**MISS M PETERSON**

She joined us after Christmas last year, this half-sister to the talented Milan Girl was working very nicely in the spring but the ground dried out and we put her away. She did her pre-training with Willie and Mandy Bryan and came back to us looking extremely well. She's not the biggest but shows a terrific attitude and we expect her to improve the pedigree further when she makes her racecourse debut this autumn.

## SAMATIAN (IRE)

FORM 6-

2017 bl.g. by Sageburg (IRE) ex Bodhran Davis (FR)

**MR NORMAN CARTER**

He had done plenty of nice work prior to his racecourse debut and we expected a big run, but he was incredibly green when making the running at Huntingdon and was beaten into sixth after showing plenty of early promise. Now a much more mature horse, he really does show the benefit of a summer at grass, he's coming along nicely and we expect a much improved effort when he gets back on a racecourse this autumn.

## SAMMEO (FR)

OR 92H FORM 6-775

2017 b.g. by Diamond Green (FR) ex Goldnella (FR)

**LADY DULVERTON**

A good looking individual who always found life too easy! He worked and schooled very well at home but hasn't as yet transferred that to the track. Now armed with a handicap mark, he has since undergone a wind operation and we hope he can begin to show the promise he shows at home on the racecourse.

## SAYADAM (FR)

FORM 1-1

2017 b.g. by Saint Des Saints (FR) ex Catmoves (FR)

**LADY DULVERTON**

A real tough sort, he's a beautiful mover and has a tremendous attitude. He made his debut in a Kelso bumper and showed real toughness to win going away. He then coped very well with the soft ground on his hurdles debut at Warwick when winning in great style; he will continue over hurdles this winter and can progress up the ranks, we think he's quite smart.

## SHANACOOLE PRINCE (IRE)

OR 118H 118C FORM 2PP0-

2013 ch.g. by Primary (USA) ex Shanacoolle Rose (IRE)

**MR & MRS M LAWS**

He started his chasing campaign well with a good second at Southwell in December but then things didn't really work out. The ground was too quick at Newbury next time and he most probably wasn't quite right on his subsequent runs. He's had a good summer break and come back to us looking very well, he will go back over fences this winter on his favoured soft ground and hopefully he can regain the winning thread.

## SHANTOU EXPRESS (IRE)

OR 140H FORM 2211527-

2015 ch.g. by Shantou (USA) ex Spanker (GB)

**THE SECOND CHANCERS**

He was unlucky to be beaten on his hurdles debut and was then out stayed at Uttoxeter when stepped up in trip. He won his novice hurdle easily at Exeter and Sedgfield before going up in class and after being beaten at Ascot, he lost out narrowly in a good handicap at Wetherby when miles clear of the third. The ground was way too quick on his final run at Haydock and we put him away; he will go novice chasing this winter and should do well early on before stepping up in class.

## SHINOBI (IRE)

OR 111H FORM 0651-

2016 ch.g. by Iffraaj (GB) ex Ninja Lady (GB)

**SHINOBITHEMONEY**

Had a busy season starting back in September with a good win over hurdles at Uttoxeter. He continued to hold his form up until Christmas, winning again at Wincanton under a penalty and being placed on two other occasions. After struggling initially in handicap company, he eventually came back to a more manageable mark and regained the winning thread at Newton Abbot in August giving David Bass a winner on his first ride back from injury. We think there is plenty more to come from him and it won't be long before he is running over fences.

## STARVOSKI (IRE)

2015 b.m. by Aizavoski (IRE) ex Telstar (IRE)

**THE GRAPEVINE SYNDICATE**

OR 113H FORM P514-

A big filly who took a while to come to hand but then really thrived on her racing. After disappointing over a trip first time out we came back to two miles and she ran very well in a hot race at Doncaster before winning at Southwell. She really should have won a Sandown handicap on her final run but a bad mistake two out cost her dearly. She will go novice chasing this winter and we expect her to continue to improve.

## SUBWAY SURF (IRE)

2014 b.m. by Milan (GB) ex Dante Route (IRE)

**SURF ON THE TURF**

OR 110H 110C FORM 552-22

She made her chasing debut at Market Rasen but after travelling and jumping well, she unfortunately broke a blood vessel. Following a short break we went back over hurdles and after not getting home at Warwick decided to stick to the minimum trip. She ran very well to finish second three times and although frustrating, it was good to see her finish out her races. She has come back in looking as well as we have seen her look and we are sure she can get her head in front this winter.

## TALK OF THE MOON (IRE)

2017 b.f. by Pether's Moon (IRE) ex Tara The Gossip (IRE)

**E HAWKINGS, A LOFTS, B HARDING, M HARRIS**

A lovely filly who was new to us last year and it's great to have Ed Hawkings back with us having previously owned Drumstick. She did some lovely work and was ready to run before a sinus infection put paid to any plans. She is back in full training and has matured a lot over the summer. She will start off in bumpers this winter and we think she is well up to winning one before progressing onto better things.

## TANTOLI (GB)

2017 ch.g. by Norse Dancer (IRE) ex Aoninch (IRE)

**99 PROBLEMS BUT THE HORSE AIN'T 1**

A real eye-catching type who was ready to run in the spring but was mentally immature so we let him have the summer to grow up. He's much more straight forward this time and the break has been a huge benefit to him. Working nicely, he will most likely be ready quite early and we would expect him to go very well.

## THE BULL McCABE (IRE)

OR 127C FORM 21421-32

2014 b.g. by Yeats (IRE) ex Twilight View (IRE)

**PARK VIEW**

The Bull McCabe had a good season last year and it was nice to see him reward his owners for their patience as he hadn't been the easiest. He stayed on to finish second at Newton Abbot before hosing up in a competitive novice at Stratford. He was then placed twice under a penalty before winning again at Stratford; with his preference for decent ground, we have kept him going through the summer and he's jumped fences well when being placed on both starts. He went back over hurdles at Stratford last month and was a good second. He has undergone a small wind operation and will be back out soon.

## THE EDGAR WALLACE (IRE)

OR 132H FORM 421-

2015 b.g. by Flemensfirth (USA) ex Annalecky (IRE)

**PHIL AND GILL ANDREWS**

A very big horse who is gradually starting to show the ability we always thought he had. He has been quite immature and not really strong enough to carry his frame but he's really coming together now. He jumped well at Ascot on debut and improved with every run, gamely getting his head in front with a strong staying performance at Uttoxeter in a race that worked out well. We would hope to get a run over hurdles before he loses his novice tag on November 1st, but his future lies over fences and he's a very exciting prospect for novice chasing this year.

## THOSE TIGER FEET (IRE)

OR 106H FORM 1P0-

2014 b.g. by Shantou (USA) ex Luca Lite (IRE)

**PHIL AND GILL ANDREWS**

A winning handicapper who seems to go very well fresh but somewhat lacks consistency. He won at Ayr on seasonal debut but then disappointed on his subsequent starts. After a break, he returned to Ayr only for racing to be abandoned at the last minute and then things dried up and we couldn't run him. Slightly in the grip of the handicapper we would expect him to get his head in front again at some point this year and we may try him over fences.

## THRUTHELOOKINGGLASS (GB)

2017 b.g. by Kayf Tara (GB) ex Amazing D'Azy (IRE)

**MR & MRS K RELLIS**

A lovely looking horse by a top sire and first foal out of the dual winning mare Amazing D'Azy. He worked really nicely in the spring and a summer at grass has improved him again. He should be ready to run in a bumper in the autumn and we think he has a very bright future.

## TIME FOR HOLLIE (GB)

2016 b.m. by Black Sam Bellamy (IRE) ex Any Pearl (GB)

**ROY & LOUISE SWINBURNE**

A big mare who joined us after Christmas, the first horse we have trained for Roy and Louise Swinburne. She was working very nicely, improving from week to week and we just ran out of time with her. She showed plenty and should put up a bold performance on her debut in the autumn.

## TRELAWNE (GB)

2016 b.g. by Geordieland (FR) ex Black Collar (GB)

**THE REAL PARTNERSHIP**

A big backwards type, again from a family we know well. He was nearly ready to run but met with a setback and unfortunately that ended his season. He has schooled well and we hope to have him out fairly early, he will most likely go straight over hurdles and is the type to improve with racing.

## TWO FOR GOLD (IRE)

2013 b.g. by Gold Well (GB) ex Two Of Each (IRE)

**MAY WE NEVER BE FOUND OUT 2**

OR 150C FORM 2P313U-

A real yard favourite, he's tough, consistent and has an awful lot of ability under the right conditions. A good second on his seasonal debut, he found the ground way too quick in the Ladbroke Chase but bounced back in great style to win at Warwick and then was placed at Kempton and Kelso before unseating over the big fences at Aintree when seemingly enjoying himself. He is effective at anywhere between two-and-a-half and three miles but must have soft ground to be at his best. He will be competitive in lots of good grade handicaps this winter.

## UNDERCOVER LOVER (IRE)

2018 b.g. by Cloudings (IRE) ex Another Gaye (IRE)

**MRS I C SELLARS & MAJOR AND MRS P ARKWRIGHT**

A lovely looking big gelding who is a half brother to the very smart Flirtatious Girl. Purchased at Doncaster for the same owners, he is coming along nicely and does all we have asked of him so far. He will hopefully be ready to run in the spring.

## VINNDICATION (IRE)

2013 b.g. by Vinne Roe (IRE) ex Pawnee Trail (IRE)

**MOREMONEYTHAN**

OR 159C FORM 2U60-

Vinnidication has been a great servant to the yard and started last season with a very creditable second in the Charlie Hall Chase at Wetherby before heading to Newbury for the Ladbroke Chase only to unseat his rider at the cross fence when still going extremely well. He suffered a nasty injury that day and when we got him back we decided to return to hurdles. He ran a cracker in the Stayers Hurdle, finishing sixth after being up there all the way and then Aintree was a bridge too far. He has undergone a kissing spine operation this summer and after doing his rehab at Ivy Lodge Farm, he returned to us looking fantastically well. We will go back over fences this winter and aim for the handicap chase at Ascot that he won two years ago, he still has an awful lot to offer!

## VOYBURG (IRE)

2016 br.g. by Sageburg (IRE) ex Slevoy Ahoy (IRE)

**THE TEN SAGES**

FORM 94-5

Not the easiest to train as we have always had difficulty keeping condition on him. He seems in a really good place at present and looks the best he has ever looked. His two hurdle runs have been very promising and there is every reason to believe he can build on that promise over hurdles this season.

## WANDRIN STAR (IRE)

2011 b.g. by Flemensfirth (USA) ex Keralba (USA)

**MRS PENNY PERRISS**

OR 139C FORM 26P-

A solid old campaigner with not that many miles on the clock. He is the winner of three handicap chases and seems at his best when very fresh. He had a difficult campaign starting with a personal best when second at Ascot, he then found the desperate ground too much at Wetherby over Christmas and we never really got him back after that. He is qualified for veterans chases and with a little help from the handicapper should get his head in front again this winter.

## YEAVINGER BELLE (GB)

OR 126C FORM 12P10P8-2U3

2014 ch.m. by Midnight Legend (GB) ex Fruit Yoghurt (GB)

**THE BELLE STARS**

She has been a real star to her lease syndicate having run 15 times winning on five occasions and being placed a further five. Her small size means she finds chasing harder than others but she certainly tries her hardest and has the ability to win a mares chase if and when one arrives to suit her. A mare that loves fast ground she will continue running until that goes against her, whether that be back over hurdles or remaining over fences before she heads back up north to her owners Tocky and Ian Mckie to become a broodmare

## YOUNEVERCALL (IRE)

OR 154H FORM 24P81-

2011 b.g. by Yeats (IRE) ex Afarka (IRE)

**YOUNEVERKNOW PARTNERSHIP**

What a star he is, tough, consistent and still running to his best as a ten year old. We were gutted when he was pipped on the line at Kempton on his seasonal debut giving away nearly two-and-a-half stone to the winner who blindsided him. He was then fourth in the Grade 1 Long Walk Hurdle on soft ground at Ascot before giving us all a huge thrill in the Stayers' Hurdle at Cheltenham; still on the bridle at the top of the hill, he just didn't quite get home. We headed to Sandown for the Grade 2 hurdle he had won two years previously full of confidence, he got trapped down the inside and didn't travel with his usual fluency but once finding room in the straight he put his head down and battled it out to win by half-a-length. Sandown will again be his main end of season target but we will have plenty of fun along the way and now we are happy to go left handed it gives us more options on where to go.

Ivy Lodge Farm, Stroud Road, Birdlip, Gloucester GL4 8JW | [ivyloodgefarm@gmail.com](mailto:ivyloodgefarm@gmail.com) | 07921500187

## GLANCING GLORY (IRE)

2016 br.m. by Presenting (GB)  
ex Littlemisssthistle (IRE)

Glancing Glory, winner of a mares maiden point-to-point in Ireland on very soft ground. She fought on gamely to get up after looking beaten three out, which is testament to her battling qualities and will to win. The form of her point win is working out well as the third in the race has since won two bumpers very convincingly. She is by multiple champion sire Presenting whose progeny include: the superb Denman, Grand National winner Ballabriggs, Gold Cup winner War Of`Attrition, JLT winner Yorkhill and many more Cheltenham Festival winners. The dam is a half sister to four time winner Irish Thistle, who was also placed 25 times, including a Grade 2.

## PHANTOM GETAWAY (IRE)

2017 ch.g. by Getaway (GER)  
ex Belle Provence (FR)

Phantom Getaway is an imposing son of last season's leading sire for winners over hurdles and fences Getaway. He convincingly won a point-to-point in Ireland staying on strongly up the hill going away. From a good family, he has all the hallmarks of a staying chaser in time. He reminds Kim of his record breaking Grand National winner Mr Frisk!

## Vitamins & Minerals

### SELENAVITE E

- ✓ Contains 21 key Vitamins and Minerals
- ✓ High concentration of Vitamin E, 2,000mg/day
- ✓ Available in powder and liquid form

## Electrolyte

### RESTORE-LYTE

- ✓ Electrolyte in a palatable strawberry flavour
- ✓ Contains a non-glucose carbohydrate source for constant slow release energy
- ✓ Helps maintain muscle integrity and contains amino acids and Vitamin C

## UNNAMED (FR)

2017 ch.g. by Flemensfirth (USA)  
ex Muance (FR)

A striking four-year-old chestnut gelding by outstanding sire Flemensfirth who's progeny include Gold Cup winner Imperial Commander, Grade 1 chase winner Flemenstar, Arkle winner Tidal Bay, RSA winner

Topofthegame and our very own The Last Samuri who was second in the Grand National. The dam Muance is a sister to top class Grade 1 AES Champion hurdle winner Grandouet, who was also third in the Triumph hurdle and fell four out when holding every chance in the Champion hurdle. There are winners all through the pedigree including 11 time winner Virginia Desir, four time winner and Grade 2 placed Viking Blond and six time winner Virginia Chick. Excellent value for anyone looking for a share.

## UNNAMED (IRE)

2017 b.g. by Sholokhov (IRE)  
ex Putland's Bridge (IRE)

A fine looking 4 year old gelding by top class sire Sholokhov, the Sire of Grade 1 winners over hurdles and fences including the very exciting Cheltenham Festival Supreme Hurdle and Arkle Chase winner Shiskin, Gold Cup hero and six time Grade 1 winner Don Cossack. He has fantastic lineage with his dam being by outstanding National Hunt sire Flemensfirth. There are Graded winners throughout his pedigree including Grade 1 and seven time winner Royal Vacation. He should be ready to start his racing career later this year.

## UNNAMED (IRE)

2018 b.g. by Getaway (GER)  
ex You Should Know Me (IRE)

By now it should be obvious we are a fan of the sire Getaway and why wouldn't you be when he produces so many winners. This 3 year old caught our eye at the sales as he reminded me of Younevercall. A sharp good

moving individual who looks very forward and should be contesting bumpers in the spring. The dam is by another leading sire Oscar and hails from the family of Waterloo Boy. His full brother Some Detail is a dual winner.

## UNNAMED (IRE)

2018 b.g. by Mahler (GB)  
ex Emily Gray (IRE)

This great moving son of Mahler is out of seven times winner Emily Gray, who we trained to win a listed and Graded race over fences and was also placed in Listed races over hurdles. A tough and consistent mare winning three

hurdle races and four over fences. We were determined to get this athletic 3 year old gelding as we loved training Emily Gray and can't wait to see how he progresses. Emily Gray has already proved successful as a broodmare with her first foal winning a bumper in Ireland and later selling for £105,000! A very exciting prospect.

## UNNAMED (GB)

2018 b.g. by Telescope (IRE)  
ex Jennifer Eccles (GB)

"For any Hollies fans growing up in the sixties Jennifer Eccles is the dam of this unnamed son of Telescope. Another big imposing type with very much chasing in mind. Telescope is a new sire who is expected to do well and is a sire we like. His offspring have done very well at the sales. The dam ( Jennifer Eccles) is by a favourite sire of ours, who unfortunately is no longer with us Midnight Legend. She is a full sister to seven time winner Amigayle and six times winner Emmaslegend both of whom have since foaled winners.

## UNNAMED (FR)

2018 b.g. by Getaway (GER)  
ex Liane de Pougy (FR)

Another 3 year old by Getaway last season's leading sire of winners over hurdles and fences. A big strong looking sort with the scope to be a chaser. Will probably need a bit of time but will be trained to hopefully start off in bumpers in the spring. Black type throughout the family, the dam won three times over fences in France and is a sister to Listed winner Libranous.
